

About Us

Golfers in Cabot, Arkansas have a secret-- Cypress Creek Golf Course. This excellent, full-service golf facility is a true gem, located near Little Rock in Cabot, Arkansas inside the Greystone community. Since 1998, our staff has taken pride in serving the Cabot golf community. We have everything you need for the perfect course experience including new golf carts with GPS. Cypress Creek Golf Course was designed by acclaimed golf course architect Kevin Tucker. Our course is 18 holes and a par 72. From the longest holes it features 7,392 yards of golf, with a rating of 74.9 and a slope of 136 on Zoysia grass. Our Zoysia fairways are the best in the state. This course is unique, and it will challenge experienced players with its thought-provoking layout while helping casual golfers relax amid the picturesque scenery.
